CHILTERN CHAIRS

FROM WOODLAND TO FACTORY

Chairs are key to Wycombe's history.

The Chilterns Chairs Festival takes place throughout July 2024 to recognise the unique chairmaking heritage of Wycombe and the local area.

With a varied programme of events, discover how the industry grew from the local landscape into thriving furniture production which proudly continues today. Join us to celebrate the stories, the chairs and the surroundings which make up our history.

There's something for everyone, so get involved!

The Chilterns Chairs Festival is being organised by Wycombe Museum and is funded by the Chalk, Cherries & Chairs (CCC) Landscape Partnership.

About Chalk, Cherries & Chairs Landscape Partnership

Chalk, Cherries and Chairs is an ambitious Landscape Partnership that aims to connect local people to the wildlife and cultural heritage of the Central Chilterns. It focuses on three themes – wildlife, heritage and people. A whole host of interweaving projects fall under these three themes, designed with the Chilterns landscape in mind and sharing common threads, such as volunteering, learning and digital media.

The scheme is funded primarily by The National Lottery Heritage Fund and the HS2 Community & Environment Fund, and is hosted by Chilterns National Landscape. Learn more about the project at www.chilterns.org.uk/chalkcherrieschairs.
